VALUE ADDING SERVICES...

Home Cleaning...

Palmers can provide in home cleaning services specific to real estate standards. This can be extended to include a range of specific services including but not limited to oven cleaning, windows and steam cleaning.

"Scooby arrived safe and sound" Patrick, Dublin

Pet Transportation...

When relocating, it's important to look after all members of the family which of course includes your pets.

Whether your moving to another state or another country, our dedicated and veterinary trained pet transporters will ensure your best friend arrives safe, happy and stress-free through a full door-to-door service.

Car Transportation...

Whether it's your family mover or weekend roller you can feel safe in knowing Palmers can move your vehicle door-to-door safely and fully insured.

We provide full tracking systems and provide inspection reports upon pick-up and delivery to ensure your back on the road in no time.

INSURANCE...

Protecting you and your family...

Palmers Relocations is proud of its achievements and boasts one of the best damage and loss statistics within the relocation industry. Still unforeseen circumstances can arise resulting in damages to your prized possessions. We always recommend insuring your goods against such incidentals by taking out premium insurance, in the unfortunate event damages occur. By providing insurance this offers peace of mind in knowing your covered every step of the way.

- PEACE OF MIND
- COVERS AGAINST ALL DAMAGES
- LOSS
- MOULD & MILDEW
- MECHANICAL & ELECTRICAL FAULT
- PAIRS & SETS COVER
- IN-HOUSE CLAIMS MANAGEMENT
